Research Appointments

- 2020 – Present **Research Associate (Co-I)**, Dept. of Experimental Psychology, University of Oxford
PI: Prof. Kate Nation
- 2019 – 2020 **ESRC Independent Research Fellow**, Department of Psychology, University of York
Mentor: Prof. Asifa Majid
- 2019 **Research Associate**, Department of Psychology, University of York
PI: Dr Aidan Horner
- 2017 Oct-Dec **Visiting Scholar**, Haskins Laboratories, USA
Host: Prof. Kenneth Pugh
- 2013 – 2014 **Research Associate**, Department of Psychology, Lancaster University
PI: Prof. Kate Cain, Prof. Xiuli Tong

Qualifications

- 2015 – 2019 **PhD Psychology**, University of York
Understanding individual differences in learning and consolidating new vocabulary. Supervisors: Dr Lisa Henderson, Prof. Gareth Gaskell
- 2014 – 2015 **MSc Developmental Cognitive Neuroscience**, University of York
- 2010 – 2013 **BA (Hons) Experimental Psychology**, University of Oxford

Awards and Prizes

- 2020 **9th Frith Prize Lecturer**, Experimental Psychology Society (£500)
Sole recipient of early career award recognising exceptional PhD work.
- 2018 **Pre-Registration Challenge Prize**, Center for Open Science (\$1000)
Awarded for successful pre-registration of methods in published research.
- 2017 **Poster Prize**, British Psychological Society Developmental Section
Second place prize awarded for conference poster presentation.
- 2015 **MSc Project Prize**, University of York
Awarded for the best empirical project.

Grants and Fellowships

Major Grants

- 2020 – 2022 **ESRC Secondary Data Analysis Initiative** (£293,401; Nation, K., James, E., Thompson, P., & Bowes, L.) *Taking the long view: understanding the precursors and consequences of poor reading comprehension identified in mid-childhood.*
- 2019 – 2020 **ESRC Postdoctoral Fellowship** (£123,568) *Studies great and small: convergent approaches to understanding language learning.*
- 2014 – 2018 **ESRC 1+3 Research Studentship** (£78,190) *Understanding individual differences in learning and consolidating new vocabulary.*

Small Grants

- **Experimental Psychology Society Workshop Grant** (2018): *Mapping the future for poor comprehender research: taking stock and moving forward*. Co-Applicant with J. Ricketts (Royal Holloway), D. Colenbrander (University of Bristol), L. Henderson (University of York), & H. Joseph (University of Reading).
- **ESRC Researcher Training Support Grant Top-Ups** (2016, 2018) to support summer school attendance.
- **Experimental Psychology Society Grindley Grants** (2017, 2018, 2019, 2020) for conference attendance.
- **ESRC Overseas Institutional Visit Grant** (2017) to visit Haskins Laboratories.
- **Guarantors of Brain Travel Award** (2017) to support conference attendance.

Teaching

Appointments

2018 – 2019	Statistics Workshop Presenter , Maths Skills Centre, University of York Lead introductory statistics workshops for postgraduate students across disciplines
2017 – 2018	Statistics Tutor , Maths Skills Centre, University of York Held drop-in advice sessions for undergraduate and taught postgraduate students
2016 – 2018	Academic Skills Workshop Presenter , Learning Enhancement, University of York Delivered academic skills workshops to pre-university students
2015 – 2018	Graduate Teaching Assistant , Department of Psychology, University of York Including Advanced Research Methods support; Development & Language tutorials; supervision of first-year research projects; marking

Supervision

- 2020: Co-supervised 2 MSc Project Students
- 2018: Co-supervised 3 MSc Project Students
- 2017: Co-supervised 2 MSc Project Students
- 2016: Co-supervised 2 MSc Project Students

Coding support

- **Certified Instructor, The Carpentries**. Trained to teach programming workshops via live coding, with expertise in R.
- **Online resource: From Gorilla to Tidy Data**. Online tutorial for extracting and cleaning data files in R. <https://emljames.github.io/GorillaR/>
- **Lead Instructor, Introduction to R and Mixed Effects Models**. Two-day workshop organised for York St. John University Psychology Department (July 2020), including development of original materials. [[link](#)]

Service

2021 – Present	Editorial Board Member , Cogent Psychology
2019 – 2020	ReproducibiliTea Organiser , Department of Psychology, University of York Established and co-organised a fortnightly journal club to discuss issues of open research.
2015 – 2020	ECR Forum Committee Member , Department of Psychology, University of York Organised academic training and social events for early career researchers.

Service (continued)

2018	Workshop Organiser , Experimental Psychology Society sponsored workshop Co-organised and hosted workshop on poor comprehender research, attended by international academics and practitioners.
2015 – 2018	Sixth Form Conference Organiser , Department of Psychology, University of York Established an annual conference day for pre-university students to experience psychology research; organised for four years before securing its continuation.
2015 – 2018	Developmental Group Organiser , Department of Psychology, University of York Co-organised monthly seminars for researchers in developmental psychology.
<i>Ad hoc</i>	Reviewed for: Journal of Memory and Language; PeerJ; Scientific Studies of Reading; Journal of Research in Reading; Journal of Speech, Language and Hearing Research

Outreach and Engagement

2020	I'm a Scientist – Stay at Home edition Engaged in live web chats with school students; won <i>Scientist of the Week</i> award.
2019	Scientific expert for popular science documentary , Boundless Productions <i>The Chasers Road Trip: Trains, Brains & Automobiles</i> ; broadcast ITV Jan 2021.
2019, 2018	Sleep Workshop , York International-State School Partnership Summer School Organised half-day workshop on sleep and memory for 11- to 13-year-olds.
2018	Pint of Science Speaker Public talk: <i>From zzzs to AAAs: the importance of sleep in childhood learning</i>
2016	Pint of Science Organiser Co-organised three nights of public science talks.
2012	British Science Festival Volunteer , British Science Association Co-organised a daily highlights show during the festival.
2011	Publishing Intern , Wellcome Trust Wrote blog posts and featured articles for Wellcome Trust publications.
<i>Ad hoc</i>	STEM Ambassador , STEMnet Science outreach ambassador for schools.

Invited Talks

-
- James, E.** (2021, April). Invited panellist for *Gorilla Presents... Speech Production Research Online*. Hosted by Gorilla, online. [[link](#)]
- James E.** (2021, January). *Word learning through the lens of prior knowledge*. Ninth Frith Prize Lecture at the Experimental Psychology Society meeting, online. [[link](#)]
- James, E.** (2020, November). *It'll be alright on the night? Exploring bedtime benefits for learning new vocabulary*. Talk for the Language & Cognition Seminar series, University College London, online.
