Research and Academic Appointments

Incoming 2022	Lecturer , Department of Psychology, University of York
2021 – Present	Stipendiary Lecturer , St Catherine's College, University of Oxford
2020 – Present	Research Associate (Co-I) , Dept. of Experimental Psychology, University of Oxford PI: Prof. Kate Nation
2019 – 2020	ESRC Independent Research Fellow , Department of Psychology, University of York Mentor: Prof. Asifa Majid
2019	Research Associate , Department of Psychology, University of York PI: Dr Aidan Horner
2017 Oct-Dec	Visiting Scholar , Haskins Laboratories, USA Host: Prof. Kenneth Pugh
2013 – 2014	Research Associate , Department of Psychology, Lancaster University PI: Prof. Kate Cain, Prof. Xiuli Tong

Qualifications

2015 – 2019	PhD Psychology , University of York <i>Understanding individual differences in learning and consolidating new vocabulary.</i> Supervisors: Dr Lisa Henderson, Prof. Gareth Gaskell
2014 – 2015	MSc Developmental Cognitive Neuroscience , University of York
2010 – 2013	BA Experimental Psychology , University of Oxford

Awards and Prizes

2020	9th Frith Prize Lecturer , Experimental Psychology Society (£500) Sole recipient of early career award recognising exceptional PhD work.
2018	Pre-Registration Challenge Prize , Center for Open Science (\$1000) Awarded for successful pre-registration of methods in published research.
2017	Poster Prize , British Psychological Society Developmental Section Second place prize awarded for conference poster presentation.
2015	MSc Project Prize , University of York Awarded for the best empirical project.

Grants and Fellowships

Major Grants

2020 – 2022	ESRC Secondary Data Analysis Initiative (£293,401; Nation, K., James, E., Thompson, P., & Bowes, L.) <i>Taking the long view: understanding the precursors and consequences of poor reading comprehension identified in mid-childhood.</i>
2019 – 2020	ESRC Postdoctoral Fellowship (£123,568) <i>Studies great and small: convergent approaches to understanding language learning.</i>
2014 – 2018	ESRC 1+3 Research Studentship (£78,190) <i>Understanding individual differences in learning and consolidating new vocabulary.</i>

Small Grants

- **Experimental Psychology Society Workshop Grant** (2018): *Mapping the future for poor comprehender research: taking stock and moving forward*. Co-Applicant with J. Ricketts (Royal Holloway), D. Colenbrander (University of Bristol), L. Henderson (University of York), & H. Joseph (University of Reading).
- **ESRC Researcher Training Support Grant Top-Ups** (2016, 2018) to support summer school attendance.
- **Experimental Psychology Society Grindley Grants** (2017, 2018, 2019, 2020) for conference attendance.
- **ESRC Overseas Institutional Visit Grant** (2017) to visit Haskins Laboratories.
- **Guarantors of Brain Travel Award** (2017) to support conference attendance.

2018 – 2019	Statistics Workshop Presenter , Maths Skills Centre, University of York Lead introductory statistics workshops for postgraduate students across disciplines
2017 – 2018	Statistics Tutor , Maths Skills Centre, University of York Held drop-in advice sessions for undergraduate and taught postgraduate students
2016 – 2018	Academic Skills Workshop Presenter , Learning Enhancement, University of York Delivered academic skills workshops to pre-university students
2015 – 2018	Graduate Teaching Assistant , Department of Psychology, University of York Including Advanced Research Methods support; Development & Language tutorials; supervision of first-year research projects; marking

Project supervision

- Co-supervised MSc students from *Development, Disorders & Clinical Practice* and *Developmental Cognitive Neuroscience* courses, University of York (2-3 students/year; 2016-2018, 2020)

Coding support

- **Certified Instructor, The Carpentries**. Trained to teach programming workshops via live coding, with expertise in R.
- **Online resource: From Gorilla to Tidy Data**. Online tutorial for extracting and cleaning data files in R. <https://emljames.github.io/GorillaR/>
- **Lead Instructor, Introduction to R and Mixed Effects Models**. Two-day workshop organised for York St. John University Psychology Department (July 2020), including development of original materials. [[link](#)]

Service

2022 – Present	Committee Member (ECR Representative) , Experimental Psychology Society
2021 – Present	Language & Development Seminar Organiser , Department of Experimental Psychology, University of Oxford
2021 – Present	Editorial Board Member , Cogent Psychology
2019 – 2020	ReproducibiliTea Organiser , Department of Psychology, University of York Established and co-organised a fortnightly journal club to discuss open research

Service (continued)

2015 – 2020	ECR Forum Committee Member , Department of Psychology, University of York Organised academic training and social events for early career researchers.
2018	Workshop Organiser , Experimental Psychology Society sponsored workshop Co-organised and hosted workshop on poor comprehender research, attended by international academics and practitioners.
2015 – 2018	Sixth Form Conference Organiser , Department of Psychology, University of York Established an annual conference day for pre-university students to experience psychology research; organised for four years before securing its continuation.
2015 – 2018	Developmental Group Organiser , Department of Psychology, University of York Co-organised monthly seminars for researchers in developmental psychology.
<i>Ad hoc</i>	Reviewed for: Psychological Bulletin; Journal of Memory and Language; PeerJ; Scientific Studies of Reading; Journal of Research in Reading; Journal of Speech, Language and Hearing Research; Journal of Experimental Psychology: Learning, Memory & Cognition; Journal of Psycholinguistic Research

Outreach and Engagement

2020	I'm a Scientist – Stay at Home edition Engaged in live web chats with school students; won <i>Scientist of the Week</i> award.
2019	Scientific expert for popular science documentary , Boundless Productions <i>The Chasers Road Trip: Trains, Brains & Automobiles</i> ; broadcast ITV Jan 2021.
2019, 2018	Sleep Workshop , York International-State School Partnership Summer School Organised half-day workshop on sleep and memory for 11- to 13-year-olds.
2018	Pint of Science Speaker Public talk: <i>From zzzs to AAAs: the importance of sleep in childhood learning</i>
2016	Pint of Science Organiser Co-organised three nights of public science talks.
2012	British Science Festival Volunteer , British Science Association Co-organised a daily highlights show during the festival.
2011	Publishing Intern , Wellcome Trust Wrote blog posts and featured articles for Wellcome Trust publications.
<i>Ad hoc</i>	STEM Ambassador , STEMnet Science outreach ambassador for schools.
