2021 - 2022	Stipendiary Lecturer, St Catherine's College, University of Oxford
2020 – 2022	Research Associate (Co-I), Dept. of Experimental Psychology, University of Oxford PI: Prof. Kate Nation
2019 – 2020	ESRC Independent Research Fellow , Department of Psychology, University of York Mentor: Prof. Asifa Majid
2019	Research Associate , Department of Psychology, University of York PI: Dr Aidan Horner
2017 Oct-Dec	Visiting Scholar, Haskins Laboratories, USA Host: Prof. Kenneth Pugh
2013 – 2014	Research Associate , Department of Psychology, Lancaster University PI: Prof. Kate Cain, Prof. Xiuli Tong
Qualifications	
2015 – 2019	PhD Psychology, University of York Understanding individual differences in learning and consolidating new
	vocabulary. Supervisors: Dr Lisa Henderson, Prof. Gareth Gaskell
2014 - 2015	MSc Developmental Cognitive Neuroscience, University of York
2010 - 2013	BA Experimental Psychology, University of Oxford
Awards and P	rizes
2021	York Open Research Award, University of York (£200) Awarded to ReproducibiliTea Team for contributions to the open research community.
2020	9 th Frith Prize Lecturer, Experimental Psychology Society (£500)
	Sole recipient of early career award recognising exceptional PhD work.
2018	Pre-Registration Challenge Prize, Center for Open Science (\$1000)
	Awarded for successful pre-registration of methods in published research.
2017	Poster Prize , British Psychological Society Developmental Section Second place prize awarded for conference poster presentation.
2015	MSc Project Prize, University of York
2010	Awarded for the best empirical project.
Grants and Fe	llowships
2020 – 2022	ESRC Secondary Data Analysis Initiative (£293,401; Nation, K., James, E., Thompson, P., & Bowes, L.) <i>Taking the long view: understanding the precursors</i>
2019 – 2020	and consequences of poor reading comprehension identified in mid-childhood. ESRC Postdoctoral Fellowship (£123,568) Studies great and small: convergent
2014 2010	approaches to understanding language learning.
2014 – 2018	ESRC 1+3 Research Studentship (£78,190) Understanding individual differences in learning and consolidating new vocabulary.

Small Grants

- Experimental Psychology Society Workshop Grant (2018): *Mapping the future for poor comprehender research: taking stock and moving forward.* Co-Applicant with J. Ricketts (Royal Holloway), D. Colenbrander (University of Bristol), L. Henderson (University of York), & H. Joseph (University of Reading).
- **ESRC Researcher Training Support Grant Top-Ups** (2016, 2018) to support summer school attendance.
- Experimental Psychology Society Grindley Grants (2017, 2018, 2019, 2020) for conference attendance.
- **ESRC Overseas Institutional Visit Grant** (2017) to visit Haskins Laboratories.
- Guarantors of Brain Travel Award (2017) to support conference attendance.

Teaching

Appointments	
2022 +	Lecturer, Department of Psychology, University of York
	Current responsibilities include supervision of undergraduate research projects and
	literature surveys; MSc Research Methods training
2021 - 2022	Stipendiary Lecturer, St Catherine's College, University of Oxford
	Acting Director of Studies and Subject Tutor for Psychology, responsible for
	organising and delivering undergraduate tuition, pastoral supervision
2018 - 2019	Statistics Workshop Presenter, Maths Skills Centre, University of York
	Lead introductory statistics workshops for postgraduate students across disciplines
2017 - 2018	Statistics Tutor, Maths Skills Centre, University of York
	Held drop-in advice sessions for undergraduate and taught postgraduate students
2016 - 2018	Academic Skills Workshop Presenter, Learning Enhancement, University of York
	Delivered academic skills workshops to pre-university students
2015 - 2018	Graduate Teaching Assistant, Department of Psychology, University of York
	Including Advanced Research Methods support; Development & Language tutorials;
	supervision of first-year research projects; marking

Project supervision

- Currently supervising research projects for BSc students in Psychology
- Co-supervised MSc students from *Development, Disorders & Clinical Practice* and *Developmental Cognitive Neuroscience* courses, University of York (2-3 students/year; 2016-2018, 2020)

Coding support

- **Certified Instructor, The Carpentries.** Trained to teach programming workshops via live coding, with expertise in R.
- Online resource: From Gorilla to Tidy Data. Online tutorial for extracting and cleaning data files in R. https://emljames.github.io/GorillaR/
- Lead Instructor, Introduction to R and Mixed Effects Models. Two-day workshop organised for York St. John University Psychology Department (July 2020), including development of original materials. [link]

Service

2022-Present	Committee Member (ECR Representative), Experimental Psychology Society
2021 – Present	Editorial Board Member, Cogent Psychology

Service (continued)

2021 – 2022	Language & Development Seminar Organiser, Department of Experimental
	Psychology, University of Oxford
2019 - 2020	ReproducibiliTea Organiser, Department of Psychology, University of York
	Established and co-organised a fortnightly journal club to discuss open research
2015 - 2020	ECR Forum Committee Member, Department of Psychology, University of York
	Organised academic training and social events for early career researchers.
2018	Workshop Organiser, Experimental Psychology Society sponsored workshop
	Co-organised and hosted workshop on poor comprehender research, attended by
	international academics and practitioners.
2015 - 2018	Sixth Form Conference Organiser, Department of Psychology, University of York
	Established an annual conference day for pre-university students to experience psychology research; organised for four years before securing its continuation.
2015 - 2018	Developmental Group Organiser, Department of Psychology, University of York
	Co-organised monthly seminars for researchers in developmental psychology.
Ad hoc	Reviewed for: Psychological Bulletin; Journal of Memory and Language; PeerJ;
	Scientific Studies of Reading; Journal of Research in Reading; Journal of Speech,
	Language and Hearing Research; Journal of Experimental Psychology: Learning, Memory
	& Cognition; Journal of Psycholinguistic Research

Outreach and Engagement

2022	Oxford Sparks
	Online video: A book at bedtime; (pending release)
2020	I'm a Scientist – Stay at Home edition
	Engaged in live web chats with school students; won Scientist of the Week award.
2019	Scientific expert for popular science documentary, Boundless Productions
	The Chasers Road Trip: Trains, Brains & Automobiles; broadcast ITV Jan 2021.
2019, 2018	Sleep Workshop, York International-State School Partnership Summer School
	Organised half-day workshop on sleep and memory for 11- to 13-year-olds.
2018	Pint of Science Speaker
	Public talk: From zzzs to AAAs: the importance of sleep in childhood learning
2016	Pint of Science Organiser
	Co-organised three nights of public science talks.
2012	British Science Festival Volunteer, British Science Association
	Co-organised a daily highlights show during the festival.
2011	Publishing Intern, Wellcome Trust
	Wrote blog posts and featured articles for Wellcome Trust publications.
Ad hoc	STEM Ambassador, STEMnet
	Science outreach ambassador for schools.

Invited Talks

James, E. (2022, November). *The reading difficulties of children with (even mild) language impairments.* Invited speaker for Judy Dunn Conference on Speech and Language Disorders, Association for Child and Adolescent Mental Health (ACAMH), online.

- **James, E.** (2021, April). Invited panellist for *Gorilla Presents... Speech Production Research Online*. Hosted by Gorilla, online. [link]
